SUNDAY MORNING JUNE 3, 1860. The effort to show that Doug as did not get a fair majority of the votes at Charles ton is like that of a drowning man catching at straws. Those who voted against Doug las from the free States misrepresented their people at home. There is not a district in a quit the unprofitable partnership. Greeley free State that is not for Douglas over any competitor. A good many from the slave States voted for other candidates whose dis for they will ignore the debt and denounce tricts are for Douglas. It will hardly be you, instead of paying up, if they can crawl pretended by anybody that this district is a foot higher by it. not for Douglas, and yet he got no vote from in this State pre or Douglas most decidedly; yet the delegates did not vote for him. 1 is idle to tell us that the Democracy of Louisiana are against Houghas, although het is principally known here from his works of of the Rabbins," which, from internal evi-

We should not fear to leave the choice of a candidate to the popular vote, and require two-thirds or three-fourths of those who in tend to support the nominee. Douglas would was as much unanimity for one man; and tomhouses, not the Democrats of Pennsyl- about it." Governor of Washington Territory, and represented the Administration, not thregon. Five delegates from Massachusetts voted for Boston, Whitney; a third was Butler, of in many ways serviceable to the library. Lowell, whose brother-in law holds an office Donglas. He has marvelous excuses for of Boston. misrepresenting his constituents, which he | We learn by the mails of the Glasgow that wote for Davis, who had just half a vote. Hortense, That couldn't be called stupid. It was so and Butler went to Charleston to beat Doug

them there. In fact, the Administration, Bright, Slidell, Bigler, and a host of old political lacks, have been plotting and con- erry? Is not this the very thing to b triving, and scheming to defeat Douglas. No device known to political wire-pullers the Territorial Legislature refuses to supsee through all the shallow, filmsy pretexts | slandered when that is announced which the asinine rant about Southern rights, in they are openly doing.

keep a dirty kitchen, in which vermin would doing. How do men expect credit when feed and fatten on the offal from the Trea , they deny the intention of doing precisely sury. He has the will to say no to pretended what they are doing in the face of the whole friends. He can't be used, that is the trou ble, and he doesn't, therefore, suit those who Washington. The masses understand all this, and the opposition had better subside.

The storm is coming.

No doubt, an editor may very properly use other people's brains, provided he doesn't neglect at the same time to make good

Harmony.

The opposition of the fundamental process of the fundamental proc him in nomination at New York. He is to cut off another little splinter from the infinitismal diminutiveness of their party. His course; and that is, that how far soever it tismal diminutiveness of their party. His course; and that is, that how far soever it Until the result is determined, no works of zens to go to the rescue in answer to which friends are enthusiastic, confident, &c., after may be produced, it will never reach a brige number ran toward the scene of dis-

party was to be harmonized. He had split tiouists. Since the Seceders prefer Linin the East are angry. Seward is angry can't tell. The editor has been going nothis that the parent language receives such valuable aid for its developement, and the I'm is five negro men until the capture. On the 18th inst five negro men run off from Told county, belonging to the against itself cannot stand, and yet his Black Republican house is so divided. RE, LIFE AND CARGO RISKS

Mr. Robinson, of Illinois, remarked that from the time of the organization of the Committee to the present, Mr. Winslow in sisted that no witnesses ought to be examin-ed unless the subject of subpensing them

was brought before the Committee. Mr Covode-My course has not only been protested against by a majority of the com-Mr. Robinson- I have only stated a fact, Mr. Wiggiow trusted that the Speaker would not hereafter issus his subpens for witnesses until the list has first been certi-

fied by the committee. Mr. Winslow alluded to the fact that lestimony againt the Administration had been improperly published. He (Winslow) didn't think : proper Thanks to J. P. Duval, clerk of the Pove, or a copy of to have any agency in publishing releastment. Carolina, where the duty of guests is known and the proprieties of life are regarded.

Mr. Covode replied that he had particular reasons sometimes for not communicating the names of witnesses. He intended to

examine one, and if they should hear of it they would get out of the way Air Maymard, in reply to a remark of Mr. Stewart, said that on reliable authority Mr. l'illmore does not and will not support the leago nominee. Mr. Morrell took the floor, whereupon

Mr. Craig, of N. C., moved the point of order that there was no quorom present. He was lired of making the House a debating society and of the printing of speeches now delivered. The very men who had voted to go into committee in order that you might be let off, had left. He resisted all appeals to withdraw his objection, and the committee and House adjourned.

Methodist Conference. Berralo, June 2.—In the Methodist Conference yesterday the question of slavery was settled as far as this Conference is consequent of extreme pine asked. Medasses 102 was settled as far as this Conference is con-cerned, by the adoption of a revolution, that the new chapter upon slavery as adopted is the new chapter upon slavery as adopted is

in isself clearly declarative of principle and advisory in practice, and not statutory in its nature, and needs no explanatory clause.—

However, still and price in explanatory clause.—

Thou very still and price in explanatory in its outle tower grades; upper a 2.0. With two still adducted to be an explanatory clause.—
